

2022 Artists Call for Submissions.

Welcome Inn Presents “Art Feeds”

An Online Art Auction featuring the work of local artists to provide support and awareness to our Food Bank initiative.

We invite you, the artists of our community, to submit your artworks to our online art auction initiative.

Welcome Inn's food bank is a place for individuals and families to access food and personal hygiene items. It is also a community gathering place to connect with neighbours, access resources and learn from one another. We are always working toward embedding good food principals into all that we do.

Artists work close to the heartbeat of our community. This online auction brings together the work of local artists like you in support of the Welcome Inn Food Bank program. Art sustains life. Life is reflected in art. You cannot separate art from life. They are intrinsically united. Together we can help to provide the means of life to our community.

Let's celebrate our community, its beautiful landscapes, its generous people, and our local organizations that help to support its growth.
